Dennis, attached you will find two documents for your and Will Stelle's consideration. You've seen both documents before but they have been refined/revised. One is a brief summary of the status of Oregon's forestry program and the minimums to get over the bar for purposes of CZARA. The other is a longer overview of possible options the State could consider to get to an approvable program. We've incorporated NMFS comments.

I will provide hard copies to Kendra and Matt.

Let me know if you need anything else.
